But they that wait upon the LORD  
shall renew their strength; they  
shall mount up with wings like eagles;  
they shall run, and not be weary;  
and they shall walk, and not faint.

Administrator Correspondence Dated

October 30, 2014

**Grace Christian Academy**

**Billed Entity Number: 16057266**

**FCC Registration Number: 0026726980**

**Form 471 Number: 820629**

**Funding Request Number: 2234552**

Grace Christian Academy (Grace) hereby appeals the Notification of Commitment Adjustment Letter from the Schools and Libraries Division of the Universal Service Administrative Company (Administrator). The Commitment Adjustment Letter resends a portion of funding for the captioned funding request number.

The Administrator contends that "After multiple requests for documentation and application review, it has been determined that funds were improperly disbursed for this funding request. Services were installed or delivered to a residential facility or church."

Grace disputes this assertion. The residential facility contained classrooms used by students. The equipment installed at that location was used to serve the classrooms. Similarly, classes are conducted in the church building and the equipment was utilized to educate students attending class in the church.

Please note: for some reason, all have been going to the state of ND and not NC. We at Grace have been unable to determine the cause of this issue, but the effect has been devastating in that we have not received all correspondence from USAC.

Sincerely,

  
Al Alemany  
Principal
